## Work Experience

### September 2009–Present : Web Designer at Citi Group

Create informational and registration websites for the Global Event Marketing department. As well as design banners, invitations, and department branding.

### March 2009–June 2009: Graphic/Web Designer at Your Web Design Firm

Designed print/digital marketing material, web site interfaces, and components. Project management along with some html, css, and php coding.

### November 2008–Present: Volunteer Designer at SharkSavers.org (non-profit)

Creating illustrations for apparel and designing various marketing materials.

### September 2007–May 2008: Freelancer at Hallmark Magazine

Illustrated icon graphics to be used in the Inspire section of the magazine.

### June 2007–August 2007: Art/Photo Intern at Hallmark Magazine

Did filing and archived photography from previous issues. Conducted photo research, designed layouts and created imagery to be used in layouts.

### January 2007–May 2007: Art Intern at Don Morris Design Studio

Designed magazine and catalog layouts as well as photo retouching. Designed and put together style guides for magazine redesigns.

### October 2006–May 2007: Photographer at Performance Space 122

Took photographs of actors and plays so they can be used in posters, newspapers, websites and other media. Did photo retouching and color correction.

### December 2005–May 2006: Art Intern at CosmoGirl! Magazine

Created layouts and conducted photo research. Put together the monthly issue book as well as scanning, trimming, etc.

### September 2003–2007: Lab monitor at CCNY EDM Department

Installed programs and fixed computer and printer problems. Aided students with computer and program difficulties as well as printing issues. Designed signs and bulletins.
